

CPVH News

February 2026

NEW VIDEO ALERT!

We just added a new video to the homepage of our website, and we'd love for you to take a look!

Visit www.CentralProvidence.com to get a peek behind the scenes, meet our amazing team, and see our new facility—especially if you haven't had a chance to stop by in person yet!

Scan here to visit our website!

DENTAL MONTH IS HERE!

Our February Dental Health Month is officially underway, and we're offering **half-price dental X-rays** (\$60) with dental procedures.

These X-rays are a valuable tool to uncover hidden dental disease that may be causing your pet discomfort.

While our February appointments are fully booked, you can still join our waitlist—or plan ahead and reserve a spot for our next Dental Health Month in September 2026!

NEW TEAM MEMBERS!

We're excited to welcome **Jackie** and **Rosi** to the CPVH family! With 5+ years of veterinary experience each—plus bilingual skills—they've already jumped in and are doing an amazing job. We look forward to introducing you at your next visit!

Central Providence
VETERINARY HOSPITAL

OUR FAVORITE REVIEW THIS MONTH!

*All the staff is so helpful.
The Drs all take such
care of your pets. My
older pup needs special
attention at times and
they always take time to
love on her and make
her feel at home. We
have been going to
central for 10 years and
are always helpful on
our journey - Lisa M. and
Daisy*

Thank
you
