

# CPVH News

January 2026

**THANK YOU** to everyone who generously donated to our Giving Tree this season!

*Your kindness made a meaningful difference, and we know that the Humane Society of Union County will be truly thrilled with the donations they receive! We're so grateful to our amazing clients for helping support pets in need and for making our community a more compassionate place.*

# ACUPUNCTURE AND MEDICAL MANIPULATION (CHIROPRACTIC) IN PETS: MARK YOUR CALENDARS!

Dr. Newman will be hosting our January client education seminar on acupuncture and medical manipulation (the veterinary equivalent of chiropractic care in humans). This is a great opportunity to learn how these therapies can support mobility, comfort, and overall wellness in pets.

-  **Wednesday, January 21st**
-  **6:00–7:00 PM**
-  **Central Providence Veterinary Hospital**

We hope you'll join us for an informative and engaging evening. No registration is necessary - just come on in! If you know of pet owners that would be interested, we would love you to invite them - we are welcoming both current clients AND new clients!
